Day 05 : SRINAGAR - GUREZ

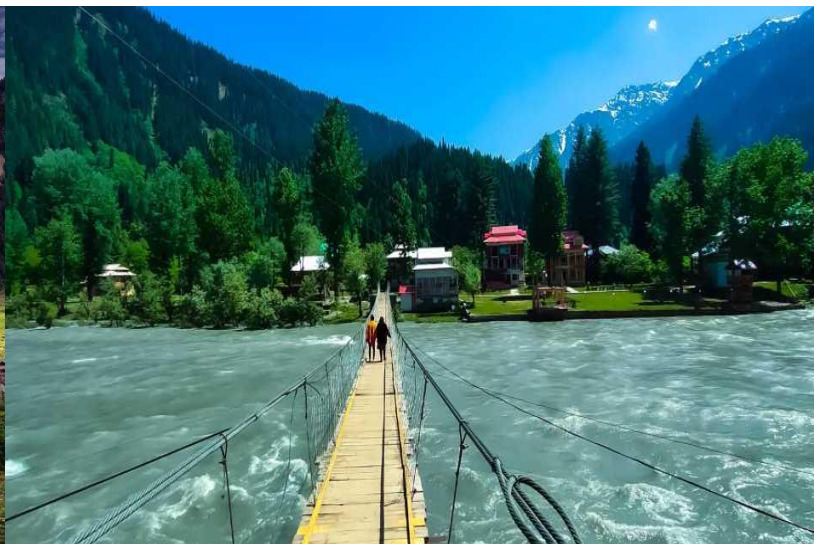

Gurez, also spelled Gurais, is a valley located at a distance of about 123 kilometers from Srinagar in Kashmir. Due to its proximity to the border, tourist movement in the region was not allowed until a few years ago.

But now, Indian nationals can travel to Gurez Valley as long as they are carrying valid government-issued identity proof (Aadhar card). Foreign nationals are not allowed to enter Gurez Valley as of now.

At an average altitude of 8,000 feet (2,400 meters), the valley is surrounded by snow-capped mountains. It has diverse fauna and wildlife including the Himalayan brown bear and the snow leopard.

The Kishanganga River flows through the valley before merging into the Jhelum River near Muzaffarabad in Pakistan. Razdan Pass is the only high-altitude pass between Srinagar and Gurez. Due to heavy snowfall in winter, the road remains blocked for about six months a year.

The valley is divided into two districts, Dawar and Tilel. Dawar is also the central township in Gurez and this is where all the hotels are located. After post sightseeing return back to hotel overnight there.

Day 06 : GUREZ

That day morning after a healthy breakfast at the hote Visit the following places:

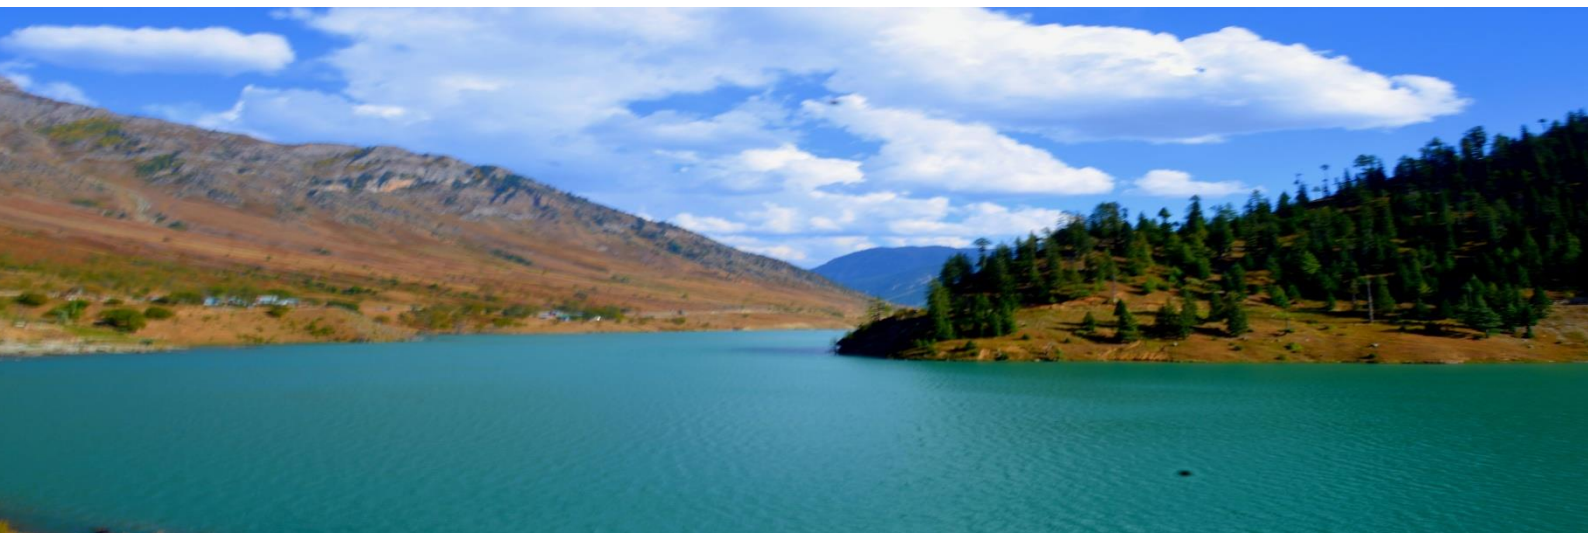

Habba Khatoon Peak & Waterfall

It is a mountain peak overlooking the town of Dawar and has quite a bit of history related to it. It turns golden at the time of sunset and presents good a photographic opportunity. For more details on this peak, take a look at **The Life and Legend of Habba Khatoon.**

The Marsh

That is just a name that I have given this place because I do not what else to call it. I said Marsh because it is a swamp-like area on the other side of Dawar.

It was created as a result of the flooding caused by the Kishengang River dam. It is another good spot to see the sunset and for a view of the entire Dawar town. The campsite that I spoke about above is on this way to this marsh-like area.

Day 7 : SRINAGAR – SONAMARG

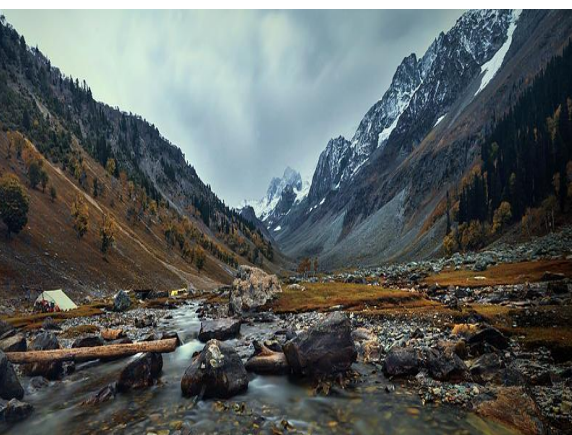

Next day morning after a healthy breakfast at the hotel, leave for the most famous and exotic place, at sonamarg:

On the way towards sonamarg visit Mustard Bloom refers to the vibrant yellow flowers of mustard plants blooming in large fields across the region.

Thajiwas Glacier is one of the most enchanting tourist places of Jammu & Kashmir. You can visit by pony by own cost.

It is located 3 km from the town at an altitude of 9'186 feet. It is a lovely vintage point to observe snow and picturesque Kashmir valley.

What runs through the Kashmir valley and Ladakh bringing them and their own corners closer is a mountain pass Zojila pass at an altitude of 3'528 m above the sea level.(by union cab) by own cost. After post sightseeing, return back to hotel.
